9 v.

10 MARK STEYN, *et al.*,

11 Defendants.

Case No. 2:18-cv-00997-JAD-GWF

ORDER

12 This matter is before the Court on Plaintiff's Emergency Motion for Extension of
13 Supplemental Expert Report Deadline (ECF No. 44), filed on January 25, 2019. Defendant filed
14 his Opposition (ECF No. 45) on January 28, 2019.

15 Plaintiff requests a three (3) day extension to the supplemental expert report deadline due
16 to the expert's availability and scheduling. Defendant argues that Plaintiff's emergency motion is
17 deficient and requests sanctions for having to file a response. Three days is a modest extension of
18 time and the parties should have been able to reach a resolution between themselves. The Court
19 finds good cause to grant Plaintiff's request for an extension and denies Defendant's request for
20 sanctions. The Court, therefore, grants Plaintiff's emergency motion and the supplemental expert
21 report deadline is extended to **February 1, 2019**. Accordingly,

22 **IT IS HEREBY ORDERED** that Plaintiff's Emergency Motion for Extension of
23 Supplemental Expert Report Deadline (ECF No. 44) is **granted**.

24 Dated this 28th day of January, 2019.
